Truglaze

Frimley Green Carnival on Sunday 12th July 2026

Welcome to the 49th Frimley Green Carnival. Our carnival theme this year is "MUSICALS", and this year's procession will be judged by Surrey Heath Mayor Cllr. Cliff Betton. Come along and support our carnival procession entries. A lot of time and effort goes into putting them together. A big part of the procession is also the cheering and support that they receive along the route. The procession runs from 2-3pm.

I would like to remind local residents that we work hard to get a Road Closure Order in order for the procession to take place and would appreciate that all residents refrain from trying to drive through Frimley Green during the procession. This endangers the procession entrants, spectators and volunteers.

We are extremely appreciative of Truglaze for their sponsorship that pays for the use of The Green and the free entertainments we offer on Carnival day.

I would like to thank Radfield Home Care who have donated our first prize in the raffle, an overnight stay at the Aviator, Farnborough.

Thank you also to the local companies who have advertised in this programme, donated raffle prizes, the procession entrants, stallholders, those who are performing in the Arena and those who have given their time in support of the Carnival including those who have helped set up and run the event.

We distribute our surplus funds too local organisations, charities and clubs. Donated and distributed in response to suggestions we receive from local people over the course of the year.

The carnival committee is always keen to welcome new members and helpers. If you would like to join us, or simply lend a hand when needed, please contact me.

Have a wonderful carnival day, fingers crossed for sunshine, see you there.

FRIMLEY GREEN CARNIVAL PROCESSION INFORMATION

Come along and support our carnival procession entries. A lot of time and effort goes into putting them together. A big part of the occasion is also the cheering and support that they receive along the route.

The Road Closure on Balmoral Drive comes into effect at 12.30pm, so assembly will be traffic free.

Judging the procession at 1.30pm will be by Surrey Heath Mayor, Cllr Cliff Betton.

The procession will leave Balmoral Drive at 2pm, along Frimley Green Road, past The Green and ending on Wharf Road at 3pm.

Each procession entry will have two marshals that come into the crowd to collect donations with RED Carnival buckets. Please donate any change you have as this is put back into the local community by donations to local charities and good causes (See page 11).

A big thank you for all those taking part in the procession and above all, have fun and enjoy carnival day.

FRIMLEY GREEN OPEN GARDENS DAY: NEW GARDENS NEEDED

The Open Gardens Day on the second Sunday in June has proved to be a very popular event for the FG Carnival programme. Starting as a "one off" village event for the Millennium celebrations, it has continued annually by popular request raising over £43,000 over its 25 years. All distributed to local good causes with tickets sold each year ranging from 223 to 533, partly dependent on the weather on the day. To remain viable and keep the event fresh and interesting, we need an injection of new and varied gardens.

If you live between Wharfenden Way and Henley Drive (and the surrounding roads) and have a garden you would like to share with visitors for a few hours, please **do** get in touch with the organisers who will be happy to give you more details. It has always proved to be an enjoyable and social occasion, even on the few days when the sun has failed to shine.

We would like to thank Geraldine Huggon and Janice Ainsworth, sadly no longer with us, for making this annual event the success it is. After 25 years, Geraldine is stepping down but will be around on carnival day on our Plant stall. If you are interested in organising this event or becoming one of our garden owners, please contact:

Rotary Junior Community Awards

For primary school children aged 10-11 years old

Through the award scheme they will have discovered their community and its vast range of cultures and opportunities – all on their doorstep.

They will learn new skills and improve their physical, mental and emotional health. They will have greater self-confidence, and amongst them could be the leaders of the future. Those gaining the award will become the pro-social volunteers of the future.
